Evaluate your group presentation according the following criteria. Justify each rating.

Criteria	Yes	Almost	No	Comments
What is the technological innovation? The report specifically identifies the innovation and explains the role computing plays in the innovation.				
What is the most important thing that it enables you to do? The report precisely describes the personal significant impacts experienced.				
How did people do this before the technology existed? The report fully identifies how people used to perform the identified task.				
What was a problem or issue with the way it was done before that this technology solved or made better? The report precisely describes significant impacts felt before the innovation became available and identifies how those impacts have been eliminated or reduced by the innovation.				
What new problems were created by the technology? The report presents a rich analysis of problems created by the innovation.				

Reflection: Reflect on the richness of technology in your life. Compare it with teenagers in other parts of the country or the world. How is your life "better" than theirs because of technology? Are there ways that their lives are better without certain technologies?
